SUMMARY

I'm an aspiring developer with a passion for coding and problem-solving. Eager to learn and grow in the software industry, focused on developing the necessary skills to succeed as a developer. Determined and motivated, they are on the path to achieving their goal. I also leverage my DSA knowledge to write efficient, optimized code that ensures scalability and robust performance.

EDUCATION

Malla Reddy College of Engineering and Technology, Hyderabad Bachelor of Technology in Information Technology, 8.5 CGPA	<i>Nov 2022 - Apr 2026</i>
Bhashyam Junior College, Hyderabad MPC, 9.6 CGPA	<i>Jun 2020 - Apr 2022</i>

TECHNICAL SKILLS

- Programming Languages: Java, Python
- Development & Scripting Languages: HTML5, CSS3
- IDE's and Tools: VS Code
- Version Control: Git & GitHub
- Database: MySQL

INTERNSHIP EXPERIENCE

Future Intern, Hyderabad Front-End Developer	<i>Sep 2024 - Oct 2024</i>
• Designed and developed responsive web applications using HTML, CSS, and JavaScript. • Improved website performance by implementing best practices like lazy loading, image optimization, and code minification, resulting in a significant reduction in page load time and better SEO rankings.	

PROJECT

Text-To-Speech Converter Front-End Developer	<i>Jan 2024 - Apr 2024</i>
• Developed a fully functional Text-to-Speech Converter Website using HTML, CSS, and JavaScript, enabling users to convert written text into spoken words seamlessly. • Optimized the website's performance to ensure fast response times and smooth audio playback on both desktop and mobile devices. • Deployed the project on a live server, enabling many users to access it worldwide, receiving positive feedback for functionality and usability.	
Fuel Rush Front-End Developer	<i>Aug 2024 - Nov 2024</i>
• Developed an innovative online fuel delivery web application using HTML, CSS, and JavaScript, enabling users to order fuel conveniently from any location. • Enhanced the user experience by incorporating many value-added features, including order history, fuel pricing trends, and promotional offers.	

CERTIFICATE

- Certified in **Infosys Springboard in HTML5 and CSS3** on August 10th and 11th
